B. JUMPERS (for children) ☐
C. OTHER ☐ _____
Explain

I, the undersigned, will provide barricades to block the street. Motor vehicles will not be used. Saw horses are permissible, if they can be clearly seen. I will provide flashing warning lights one-half hour before darkness, if the street is to be closed after darkness. This flashing light may be battery-powered.

The barricade will be placed so drivers approaching or attempting to turn onto the closed street will have ample notice that the street is closed.

All debris shall be removed from the street prior to the street being reopened.

All persons living in the area that will be affected by the closure must read and sign the back of this application.

Applicant must sign _____
